

To ALEX Benefits Counselor or to ALEX Go: That is the question.

Contemplating benefits shouldn't feel like a hassle. We know there are different ways employees digest information; that's why Jellyvision built two pathways to help employees understand and choose their best-fit benefits.

Both ALEX Go and ALEX Benefits Counselor offer:

- ✓ Medical, dental, vision and voluntary benefits education
- ✓ Recommendation engine powered by behavioral science and predictive analytics
- ✓ Access to ALEX ID so ALEX remembers you year after year (and even sends you benefits education year-round!)
- ✓ Access to ALEX Medicare for employees and their loved ones

But each experience offers unique features:

Benefits Counselor

- ✓ Robust education modules to explain your benefits in depth
- ✓ Combination of audio, video, animation, and text
- ✓ Available in English

Go

- ✓ Text-based experience for a quick recommendation
- ✓ Family Plan Comparison tool
- ✓ HSA forecasting
- ✓ Available in English and Spanish
