

Hart Davis Hart does not ship any wine, spirit, or alcoholic beverage product. Buyers assume full responsibility for shipping or collecting lots they have won at auction and for complying with all applicable laws.

Below is a list of logistics companies and wine storage facilities that are frequently used to arrange for the collection and transportation of private wine collections. Hart Davis Hart requires a written authorization from the Buyer to release the property to anyone other than the purchaser of record. Please email clientservices@hdhauctions.com to provide packing instructions and release authorization for your purchase.

We refer you to the Auction Terms and Conditions for additional information regarding our shipping and in-person collection policies.
