

# Meeting Space Mapping

If your location has multiple spaces where events are hosted, or many meeting rooms, impress guest by converting their function space agenda into a visual view of their meetings on your overall floor plan. Clients can see color coded events blocked in a meeting visually on your property layout map.

## Features

- ✓ Meeting spaces are mapped to your property layout diagram
- ✓ Block function rooms to hold space in your diary
- ✓ Custom color codes can be assigned to function type for the map
- ✓ Include the diagram in your ProposalPath template for an impressive view of the agenda

## Benefits

- ✓ Provide a visual service aid to your clients
- ✓ Use a daily view for handouts to attendees
- ✓ Enrich the ProposalPath experience
- ✓ Provides an advantage over your competitors

## How to Get Started

Contact Rick Day ([rick@salesandcatering.com](mailto:rick@salesandcatering.com)) to add this feature to your account.

## Implementation Timeframe

2-3 weeks.

## Pricing

\$1200 start-up and \$30 - \$60 per month - based on property size.
