You can locate a provider through **our provider search tool**, which is updated six days a week. Please keep in mind that the availability of any particular provider cannot be guaranteed.

Steps to locating a doctor

1. [Click here](#) to access the search tool.
2. Enter your ZIP code or city/state and click search. This will allow you to search the entire directory or search for a specific doctor.

The screenshot shows two side-by-side panels. The left panel, titled "Already a member?", has a "Login to Secure Site" button and a "Register Now" button. Below this, it asks "Not registered with Aetna yet?" and provides a "Register Now" button. It then explains "Why Register?" and lists benefits: "You will be able to find all your coverage information online when you need it." and "Searching as a member is better". Under "You Can:", it lists three benefits: "Get results for your plan", "View cost estimates", and "Select a primary care doctor". The right panel, titled "Continue as a guest", asks for a "home location (zip, city, county or state)" and has a "Search" button. It also includes a "Look within" slider set to "25 Miles" and a "Traveling?" note.

3. Select plan choice — "Managed Choice POS (Open Access)" under the "Aetna Open Access Plans" section and click continue to search for doctor.

Why is choosing a plan so important?

- **Pay less** if you use a provider that accepts the plan
- **Find the highest level of coverage** from a provider under the plan
- **Confirm** doctors are accepting the plan

The screenshot shows the "Select a Plan" interface. It has a search bar and a "Continue" button. Below the search bar, it says "Enter plan name to narrow list below, e.g. Managed Choice". There is a section titled "Show all plans (including those not in my area)" with a list of plan options: "Aetna Select™", "Aetna Voluntary Plans", "Aetna Open Access Plans" (expanded), "Aetna Choice® POS II (Open Access)", "Aetna Health Network Only™ (Open Access)", "Aetna Health Network Option™ (Open Access)", "Aetna Select™ (Open Access)", "Elect Choice® EPO (Open Access)", and "Managed Choice® POS (Open Access)". The "Managed Choice® POS (Open Access)" option is selected with a radio button. A "Continue" button is at the bottom.
