

## Setting Up Your LivePrep Profile

### 1. Go to Your Profile on LivePrep

Go to the [LivePrep](#) registration page. There are a few options for how you want to make your account; you can decide which you want to use based on your preference.

- **Continue with Google** → Uses your Google account information to create your login.

or

- **Enter Email** → After you enter your email and click “Continue with Email,” the next page will have you input your name and choose a password.

Remember which of these options you pick, for if you ever get logged out of your account and need to log back in.

### 2. Access Your Profile

Once your account is created, you will be directed to the home page of LivePrep. To open your profile, click on the profile icon next to your name in the bottom left corner of the screen to open up your profile.

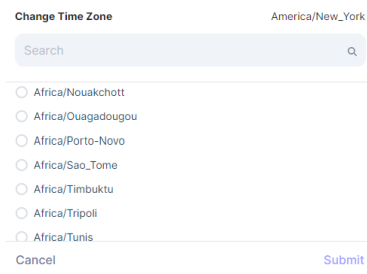

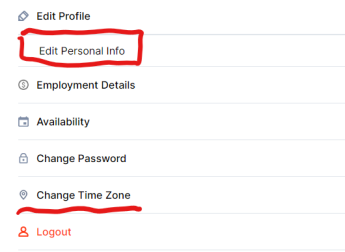

### 3. Enter Your Information

On the profile page, you will now be able to enter all your information. Select “Edit Profile” then “Edit Personal Info” in the left menu, which will open up the section where you can input your information.

Add your information. Make sure to hit **“Save”** at the bottom when you are finished.

Also make sure to change your time zone to the correct one, selecting the **“Change Time Zone”** option from the left menu, choosing your time zone from the list, and hitting “Submit.”

### Questions?

Feel free to reach out to Hayley ([hayley@zinkerz.com](mailto:hayley@zinkerz.com)) if you have questions about setting up your profile.

You will also get the chance to ask any questions you might have during your Platform Orientation, and you will get a full walkthrough of the platform.
