- ZINKERZ PARENTS -

"Because of the counselors and educators, my daughter was very motivated. The teachers were well prepared and engaging."

"We loved the personal attention on study sessions and flexibility on the teaching hours."

"That the teachers were great and if the fit with our child was not perfect we could change teachers as well. The team was always there for us."

"This was such a great experience, the AP lessons were the best. We were very comfortable with the platform to schedule the classes and it kept us organized. There were very good teachers and the kids really learned a lot and were well prepared for the exams. Parents are informed of everything that is going on with the classes."

- ZINKERZ STUDENTS -

"Zinkerz classes have definitely help me prepare for college as they showcase excellent learning strategies and patience along my college application journey!"

"Zinkerz helped me not only in terms of the SAT, but also in growing as a student."

"I am so grateful for the amazing teachers and specialized education I've gotten. Zinkerz was a crucial part for me to be able to succeed in both the SAT and the AP's."

"Being honest, I don't know what I would've done without Zinkerz. The specialized classes, the teachers' dedication, and the overall Zinkerz support helped make this process motivating and engaging. The several mocks, tips and tricks, and all of the strategies provided were key for improving my score and ensuring the smoothest test-taking experience, as well as increasing my confidence."
