How Does It Work?

Personalized Plans and Outcomes

Zinkerz Standardized Test Courses

Experience a
STRUCTURED, SUPPORTIVE, AND PERSONALIZED APPROACH
to standardized test preparation with Zinkerz

Driven by Data

Utilize comprehensive data to guide instruction

Personalized by Specialists

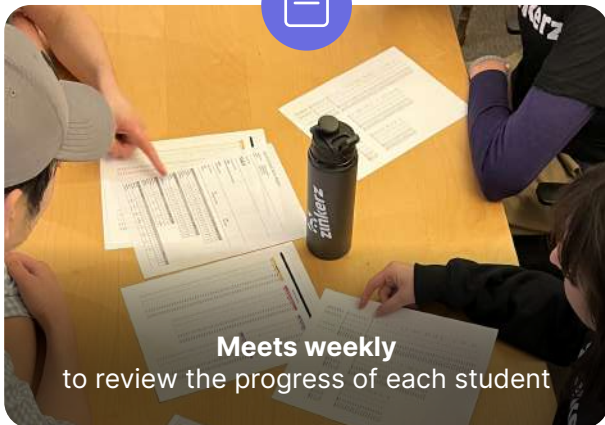

Courses are tailored by expert educators

Proven with Results

Our students see an average score increase of at least 450 points

The Zinkerz Academic Committee

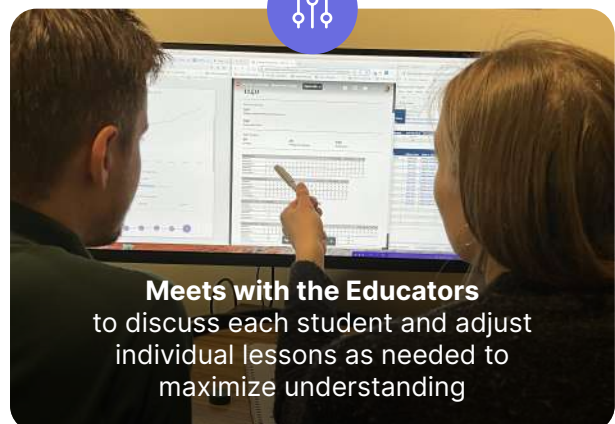

Meets weekly
to review the progress of each student

Reaches out to students
if they are not completing their work

Is available for meetings
with any parent

Meets with the Educators
to discuss each student and adjust individual lessons as needed to maximize understanding

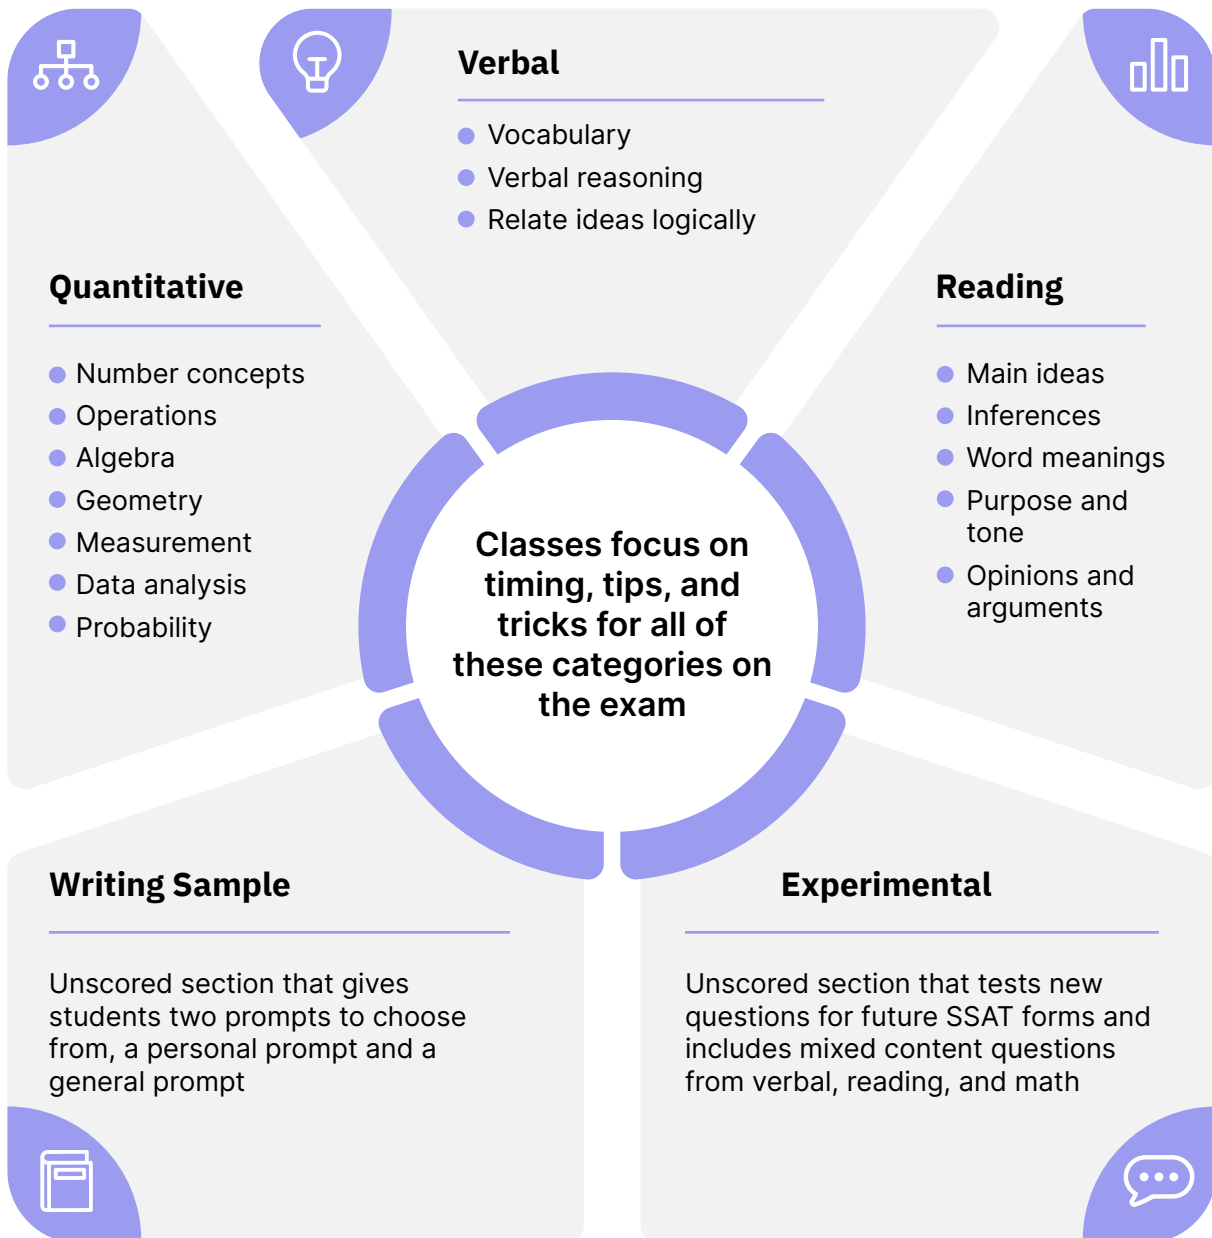

Who Are Our Educators?

Our educators are carefully selected based on their teaching experience and ability to relate to students. Each of them is trained to understand that learning is not a "one-size-fits-all" endeavor, which allows them to adapt their lessons to the individual needs of the student.
