Rockfon® Price Increase, Effective December 1st, 2026

Dear Valued Customer,

Effective December 1st, 2026

Due to continued inflationary and broader macroeconomic pressures on our manufacturing and logistics costs, Rockfon will be increasing prices across Canada, the United States, and Mexico on the following products and systems:

- Rockfon Stone Wool Ceiling Panels and Systems **+8%**
- Rockfon Chicago Metallic Grid Systems **+12%**
- Specialty Metal Ceilings **+6%**

The increase applies to all shipments on or after December 1st, 2026.

Your local Rockfon Sales Manager will be sending updating pricing files in the coming weeks which reflect above price increases. Please feel free to contact Rockfon Customer Service or your local Rockfon Sales Manager if you have any questions. As always, thank you for your continued support and business.

Best regards,

Dan Aiken
Vice President of Sales, Rockfon North America
