We continue to realize rising material costs and inflation that have had a significant impact on our product costs. Please be advised that we will increase list prices on the following products effective **October 1st, 2026:**

- All Gypsum Board 9%
  - Specialty Gypsum Board – *Quebec, Eastern Ontario, Atlantic Canada* 10%

Specialty Gypsum Board Includes: Firecode Gypsum Panels, Gyplap Treated Core Sheathing Gypsum Panels, Abuse Resistant Panels and Mold Tough Panels.

In addition, please note that the increase on ***Performance Panels and Interior Finishing products*** indicated on the August 5th notice, which was deferred, will now be implemented on **October 1st, 2026**.

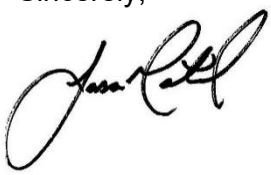

All orders shipped on or after this date will be invoiced at the increased price. Please note that to ensure supply to our customers, CGC may regulate volumes for your business prior to the increase date based on historical volumes purchased from CGC.

CGC Inc. is also assessing the impact of the most recent tariffs for products imported from the U.S., as implemented on September 8th, and will advise our customers with further information as soon as possible.
