

Notice of Price Adjustments and Fuel Surcharge – Effective May 1, 2026

Dear Valued Distribution Partners,

Rockfon is writing to inform you of important **adjustments that will take effect on May 1, 2026 in Canada**. These updates reflect adjustments to better serve your business while maintaining product quality and service excellence.

Fuel Surcharge Notice

- **A fuel surcharge** will be applied to all Canadian shipments. \$375 CAD applies to all Full Truckload and all Pool Truck orders, and \$600 CAD applies to LTL.

Price Adjustments Summary

- **Module Tiles: Sonar, Alaska, and Tropic Module tiles will be reduced.** Module tiles include narrow tile options ranging from 4" to 12" widths, available in 2' and 4' lengths for Tropic, and 2', 4', 5', and 6' lengths for other product lines. Speak to your local representative for further details.

- **All Grid Accessories:** Grid Accessories (excluding seismic clips) will see a **4% price reduction**, providing additional value to your customers.

- **Color Grid:** All Grid pricing for Tier 2 and 3 color options has been adjusted upward. As a reminder, pricing is determined not only by color selection but also by order quantities. Please note that product codes in the Price Book have been streamlined to reduce the overall list length. All color options remain clearly identified on customer quotes and order confirmations for transparency and ease of reference.

- **Action Required:** Please update your internal pricing systems to reflect these changes as of May 1, 2026. Our Sales Teams will send out the Updated PQR's and If you have any questions regarding specific product codes or pricing tiers, please don't hesitate to contact them.

Thank you for your continued partnership with Rockfon.

Sincerely,

Sarah Lake
