**TO: OUR VALUED CUSTOMERS –
QUEBEC/EASTERN ONTARIO AND ATLANTIC PROVINCES**

As CGC has previously communicated to our customers, cost inflation makes it necessary to increase pricing on our various products. This inflation as well as availability of synthetic gypsum and natural gypsum rock are key components in this decision.

Please be advised that CGC Inc.'s previously announced increase (December 1st, 2023) will be implemented by increasing list prices on the following products effective **February 1st, 2024**:

PANELS:

- Regular Gypsum Panels 7%
- Specialty Gypsum Panels** 9%
- ** Includes Firecode Gypsum Panels, Gyplap Treated Core Sheathing Gypsum Panels, Abuse Resistant Gypsum Panels, and Mold Tough Panels.
- Gypsum Lay-In Panels 7%

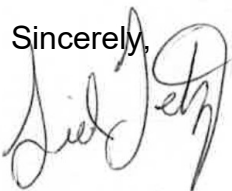

INTERIOR FINISHING:

- Joint Treatment & Textures 6%
- Paint Products 6%
- Tape & Accessories 6%
- Plaster Products 6%
- Beads & Trims 6%
- Strait Flex Products 6%

All orders shipped on or after this date will be invoiced at the increased price. Please note that to ensure supply to our customers, CGC may regulate volumes for your business prior to the increase date based on historical volumes purchased from CGC.

If you have any questions, please contact your local Sales Representative.

Thank you for your continued support of CGC products.

Sincerely,
