Re: Modification to September 3, 2026 Communication

On September 3, 2026, Georgia-Pacific Canada notified you of an invoice Service Charge related to Canadian tariffs on U.S. imports to Canada. Following further review of the impact of these tariffs and alternative approaches to address cost recovery, we are modifying our prior communication.

Effective with shipments beginning October 5, 2026, your prices for ToughRock® products will increase, and an additional Service Charge will appear as a line item on your invoices.

Your Georgia-Pacific Canada representative will be contacting you shortly to discuss the details of the price increase and invoice Service Charge.

Please note that Georgia-Pacific Canada reserves the right to modify its pricing at any time based on market conditions, changes in raw material costs, tariffs, or other factors.

If you have any questions regarding this letter or if we can be of service, please feel free to contact your Georgia-Pacific Canada representative. We would also like to take this opportunity to thank you for your business and extend our best wishes to your firm.

Very truly yours,

Georgia-Pacific Canada
