**Subject: Price Increase Notice**

To Our Valued Customers,

The recent changes in the geopolitical situation globally have led to rapid increases in raw material and transportation costs. Due to those unstable circumstances, Resisto is announcing a price increase on several of our product categories.

The products that will be affected by this price increase, as well as the applicable percentages, are as follows:

- |   |           |
|---|-----------|
| - Bituminous membranes and accessories:                 | up to 9%  |
| - Polyisocyanurate products SOPRA-ISO and SOPRA- ISO V: | up to 8%  |
| - Sprayfoam insulation / Sopra-Foam                     | up to 5%  |
| - Adhesives, primers and sealants:                      | up to 10% |
| - Roof Repair Cement & Roof Coatings:                   | up to 8%  |
| - Asphalt Surface Products :                            | up to 8%  |
| - Sopra-Foil insulation:                                | up to 9%  |
| - Sopra-Cellulose:                                      | up to 5%  |

This price increase will take effect on **April 20, 2026 or at the date per the terms of your agreement.** The new price will apply to orders shipped on or after April 20, regardless of any delays caused by supply limitations. Ongoing project quotes will be processed individually. Active project quotes will be honored subject to their validity period. Resisto reserves the right to limit the quantities shipped by April 20 based on historical purchases.

Your revised price lists based on this increase will be sent to you by email within two weeks preceding their entry into force and will also be available through your representative or our Customer Service Department concurrently.

If you have any questions regarding this notice, please contact your sales representative OR our Customer Service Department and we will be happy to help you.

Thank you for your trust and interest in our products.

Best regards,
